# Add request for carryover colorway

You can add a request for a colorway carried over from any of the catalogs linked to the selected catalog. The last updated colorway in any of the linked catalogs is added. To add a carryover colorway request follow these steps:

1. Click **+ Add**, then select "Add Request for Carryover colorway" and click **Next**, the following window appears:

2. Enter the colorway number of the linked catalog, then click **Next**, the following window appears:

3. Fill the request attributes,
4. Add attachments, if you want,
5. Select whether you want to save the request as a draft or as a new request by clicking the respective button.

The colorway is marked as shown below:

You can approve or reject the request by following the steps mentioned in "Request Article Actions".

Note:

- If the catalog is configured, you can select a color for the placeholder image of the requested colorway.
