

Dashboard

This module displays the number of dropped articles that are used in Favorites, Merch Boards, and Orders. It also lists up to 10 orders along with their statuses as shown below:

The screenshot shows a dashboard window titled "T1-STUDIO (DOC) - WINTER COLLECTION". On the left is a vertical navigation menu with icons for Dashboard, Catalog, Favorites, Collections, Resources, Merch, Order, Export, Switch, and IT. The main content area features two panels:

- DROP IMPACT**: A table showing the number of dropped articles for different categories.
- ORDER STATUS**: A list of orders with their respective statuses.
