

VAS

If the value added service (VAS) is activated for the selected catalog, and values are added to the seller, you can update VAS for any of the orderlines. To do so, click **VAS** next to the orderline, or select the ones you want to update, then click **VAS**, the following window appears:

The image shows a dialog box titled "Manage VAS" with a close button (X) in the top right corner. Inside the dialog, there is a section labeled "SELECT VAS" with a dropdown menu that currently displays "Select VAS" and a downward arrow. Below this section is a large empty area. At the bottom of the dialog, there are two buttons: "CANCEL" and "SAVE". The "SAVE" button is highlighted in blue.

Select the VAS you want, the value is added as shown in the below example:

The image shows a 'Manage VAS' dialog box. At the top, the title 'Manage VAS' is centered, with a close button (X) on the right. Below the title, there are three main sections. The first section, 'SELECT VAS', contains two tags: 'VAS1' and 'VAS2', each with a small 'X' icon to its right. A horizontal line separates this from the next section. The second section, 'APPLIED VAS', is on the left and contains two blue buttons, each with a white 'X' icon and the text 'VAS1' and 'VAS2' respectively. The third section, 'ADDITIONAL INFO', is on the right and contains two empty text input fields. At the bottom right of the dialog, there are two buttons: 'CANCEL' and 'SAVE'. The 'SAVE' button is highlighted in blue.

You can click **X** next to the VAS you want to delete. If adding additional information is needed, the field is active. Click **Save**.

If special VAS is added to the catalog, sizes are listed and you can enter a value next to each size. The window appears as shown in the below example:

Manage VAS ✕

SELECT VAS

VAS1✕

APPLIED VAS ADDITIONAL INFO

✕ VAS1

RAT						
6	6-	8	7	9	7-	
0	0	0	0	0	0	
10	8-	10-	11-	11	12	
0	0	0	0	0	0	

CANCEL SAVE

Enter the value you want against each size then click **Save**.
