

Edit period

If retail window is configured for the selected catalog, and if you have the required privilege, you can edit the retail window for the article. Select **Edit period** from the Actions menu, the following window appears if the article has a retail window assigned:

The screenshot shows the 'Edit Period' window for article 1382036 / Bandana / Design. The window is divided into two main sections. The left section displays a bar chart titled 'SKUs' with two bars: one for FW23 (height ~3.0) and one for SS24 (height ~1.0). Below the chart is a table with columns: SEASON, 6M, Q2, Q3, Q4, STORY TIER, CALENDAR, and COMP STYLE. The Q3 column is highlighted in yellow and contains '100 - Accessories'. The right section of the window is titled 'Edit Period' and contains the following fields:

- PERIOD: Q3
- RETAIL INTRO MONTH: Jul
- RETAIL EXIT MONTH: Sep
- SHIPMENT START DATE: 1 Jun 2023
- SHIPMENT END DATE: 19 Sep 2023

At the bottom of the right section are 'Cancel' and 'Update' buttons.

You can select the period, the matching retail intro month and retail exit month are populated in the respective menus. Select the retail intro month and retail exit month then click **Update**. A message appears on the window informing you that the retail window is saved successfully.

Note:

- The default values for period, retail intro month and retail exit month can be configured based on criteria and displayed in the respective fields.
