

Request actions

You can view the request details, reject, approve and confirm requests. You can also delete your own requests. Requested colorways are displayed with rounded icon as shown in the below example:

To view any of the request details, click its icon and go to the Requests tab as shown in the below example:

The request details are displayed. The above example is for a New request. The following sections discuss the actions you can perform on the request.

Approve request

You can approve a request with status “New” or “Rejected”. View the request then click **Approve**, the following window appears:

If request reasons are configured at the catalog level for the selected request type, the window appears as shown in the below example:

Approve Request

* COMMENTS

* REASONS

Cancel Approve

Select the reason then enter your comment, then click **Approve**. Its status changes to “Approved”. Approved requests can then be confirmed to create the colorways, or rejected.

Reject request

You can reject a request with status “New” or “Approved”. To reject the request, view it then click the **Reject** button, the following window appears:

Reject Request

* COMMENTS

Cancel Reject

If request reasons are configured for the selected request type, the window appears as shown in the below example:

The image shows a 'Reject Request' dialog box. At the top, it has the title 'Reject Request' and a close button (X). Below the title, there are two required fields: '* COMMENTS' and '* REASONS'. The '* COMMENTS' field is a text input box. The '* REASONS' field is a dropdown menu with a downward arrow. At the bottom of the dialog, there are two buttons: 'Cancel' and 'Reject'.

Select the reason for rejection and enter your comments, then click **Reject**. Its status changes to “Rejected”.

Confirm request

You can confirm an approved request to create the requested colorway placeholder. To do so, view the approved request then click **Confirm**, the following window appears to enable you to create the colorway placeholder:

The image shows a 'Add Colorways To This Style' dialog box. It has a title bar with a back arrow and a close button (X). Below the title, it says 'Please enter value for colorway attributes'. The main area contains a table with the following columns: COLORWAY, PERIOD, RETAIL INTRO MONTH, RETAIL EXIT MONTH, SHIPMENT START DATE, SHIPMENT END DATE, PRIMARY COLOR, and SI. The first row has the following values: Placeholder 1, Q2, Mar (2/20 Start Shl..., May (5/31 End Ship), 20 Feb 2024, 31 May 2024, Aloe, and X. At the bottom right, there are two buttons: 'Cancel' and 'Add 1 Colorway'.

COLORWAY	* PERIOD	* RETAIL INTRO MONTH	* RETAIL EXIT MONTH	SHIPMENT START DATE	SHIPMENT END DATE	PRIMARY COLOR	SI
Placeholder 1	Q2	Mar (2/20 Start Shl...	May (5/31 End Ship)	20 Feb 2024	31 May 2024	Aloe	X

Enter the colorway attributes, then click the Add button, the placeholder is added as shown

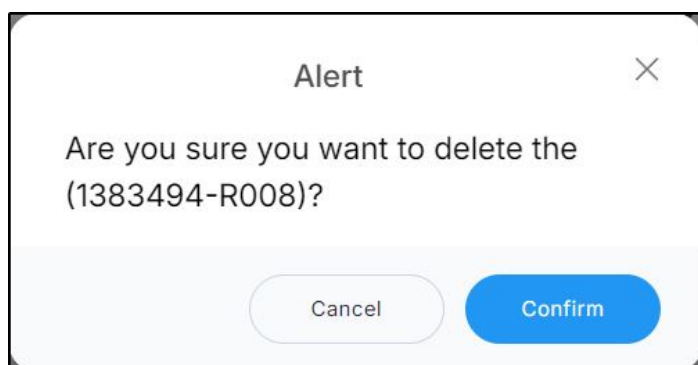

in the below example:

Click the **Next** button, the colorway is created.

Delete request

To delete any of your requests, view it then click **Delete**, the following message appears:

Click **Confirm**, the request is deleted.

Notes:

- When the colorway is viewed, the request colorway displays the request number as shown in the below example:

Also, the colorway is added to the selected period with the regular icon as shown above.

- You can also select more than one request and approve or reject them as shown in the below example:

Then follow the same steps mentioned above.
