

Add article blocking attribute

Add Article Blocking Attribute

To add an attribute, follow these steps:

1. Click , the following window appears:

A screenshot of a 'New Articles Blocking' dialog box. The dialog has a blue header bar with the title 'New Articles Blocking' and a close button (X) on the right. The main area contains three input fields: 'Attribute Id *', 'Attribute Value *', and 'Blocked Catalogs'. Below these is a 'Reason' field. At the bottom right, there are two buttons: 'CANCEL' and 'SAVE'.

If the attribute has existing values, these values are listed in a dropdown menu as shown below:

New Articles Blocking ✕

Attribute Id *
UA Division ✕
Accessories
Apparel
Footwear

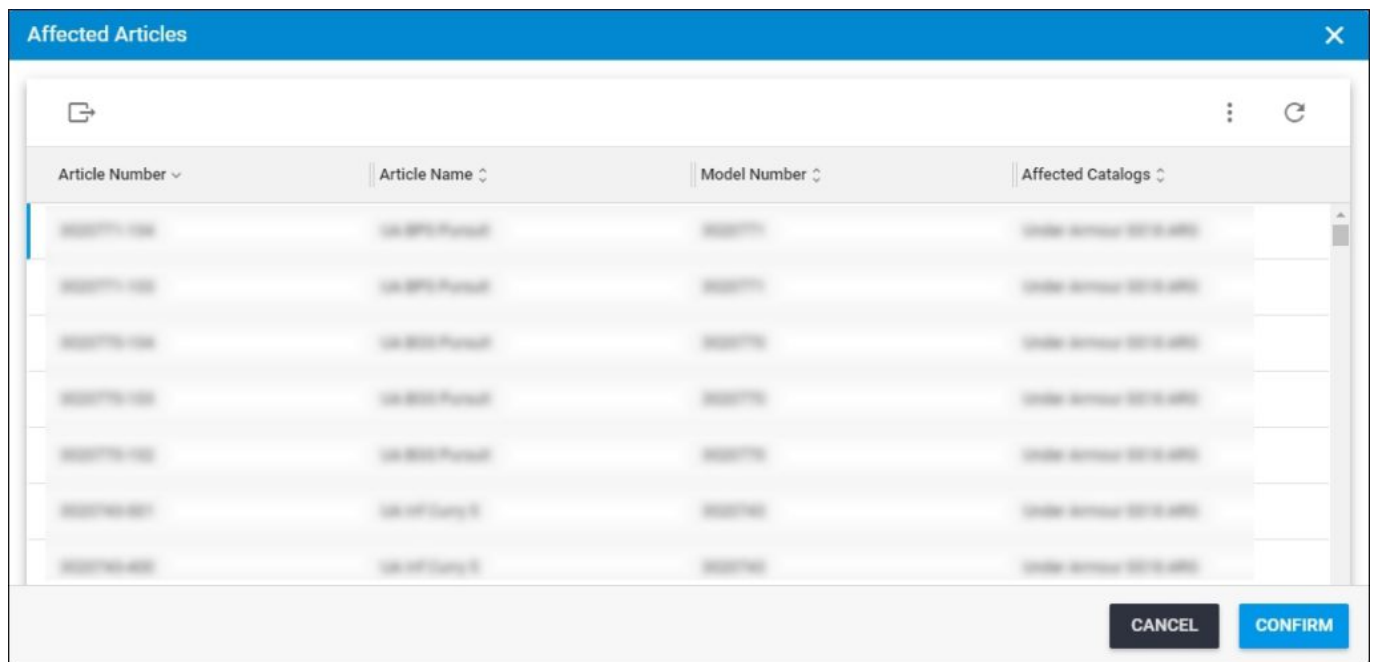

Blocked Catalogs

Reason

CANCEL SAVE

You can select the value you want,

2. Click the Attribute Id and select the attribute you want,
3. Enter the attribute value,
4. Select the catalogs which you want to block the articles from,
5. Enter the reason, if you want,
6. Click **Save** to add the attribute, a new window opens showing the affected articles as shown below:

- Click **Confirm** to add the attribute and close the window.
- Click **Save** to add the attribute and close the window, or **Save and New** to add it and open a new window. The attribute is added to the list.
