

Update article replacement

To update an article replacement, follow these steps:

1. Select “Edit Record” from the Actions menu next to the article replacement you want, the following window appears:

The screenshot shows a modal dialog box titled "Update Replacement" with a close button (X) in the top right corner. The dialog contains two input fields. The first field is labeled "Original Article" and contains the value "133112". The second field is labeled "Suggested Replacement *" and contains the value "115511". Both fields have a clear button (X) to the right of the input. At the bottom right of the dialog, there are two buttons: "CANCEL" and "SAVE".

The Original Article cannot be changed.

2. Click the “Suggested Replacement” field and select the article that replaces the original one, only articles with the same sizes of the original one are retrieved in this dropdown list,
3. Click **Save**, the article replacement is updated.
