

Update article replacement

To update an article replacement, follow these steps:

1. Select “Edit Record” from the Actions menu next to the article replacement you want, the following window appears:

The screenshot shows a dialog box titled "Update Replacement". It features a blue header bar with the title and a close button (X). Below the header, there are two input fields. The first field is labeled "Original Article" and contains the value "133112". The second field is labeled "Suggested Replacement *" and contains the value "115511". Both fields have a close button (X) to their right. At the bottom of the dialog, there are two buttons: "CANCEL" and "SAVE".

The Original Article cannot be changed.

2. Click the “Suggested Replacement” field and select the article that replaces the original one, only articles with the same sizes of the original one are retrieved in this dropdown list,
3. Click **Save**, the article replacement is updated.
