

Activate retail window

To activate any of the deleted retail windows, follow these steps:

1. Select the window you want to activate by following any of these methods:
 - Select “Activate Record” from the Actions menu next to the window you want to activate,
 - Click the checkbox on top of the records to select all the windows then click the **Activate** button,
 - Click the checkbox(es) next to the windows you want then click the **Activate** button,

The following message appears showing the number of selected records:

2. Click **Activate Record** to confirm activating the retail window. Its status changes to “Active”.
