

## Add color palette

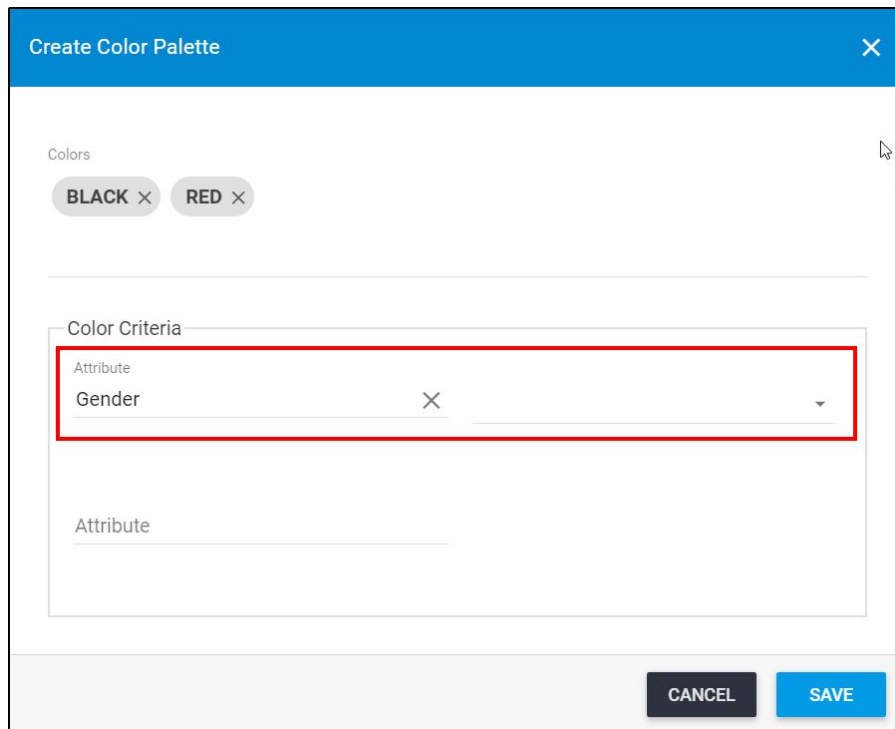

To add a new color palette, follow these steps:

1. Click , the following window appears:

A screenshot of a 'Create Color Palette' dialog box. The dialog has a blue header bar with the title 'Create Color Palette' and a close button (X) on the right. Below the header, there is a text input field labeled 'Name \*' with a red error message 'Field required' underneath it. Below the name field is a section labeled 'Colors' with a horizontal line for selecting colors. Below the colors section is a section labeled 'Color Criteria' which contains a text input field labeled 'Attribute'. At the bottom right of the dialog are two buttons: 'CANCEL' and 'SAVE'.

2. Enter the palette name,
3. Select the colors you want, colors are managed at the seller level,
4. Select the attribute based on which the palette is assigned to articles, another field appears to enable you to select the attribute value as shown in the below example:

The image shows a 'Create Color Palette' dialog box. At the top is a blue header bar with the title 'Create Color Palette' and a close button (X). Below the header, there is a 'Colors' section with two buttons: 'BLACK' and 'RED', each with a small 'X' icon to its right. A horizontal line separates this from the 'Color Criteria' section. The 'Color Criteria' section is a light gray box containing a list of attributes. The first attribute is 'Gender', which is highlighted with a red rectangular border. To the right of 'Gender' is a small 'X' icon and a dropdown arrow. Below 'Gender' is another attribute field labeled 'Attribute' with a text input line. At the bottom of the dialog are two buttons: 'CANCEL' (dark gray) and 'SAVE' (blue).

You can add multiple attributes to the palette criteria.

5. Click **Save**, the palette is added to the list.
