

Add request attribute

To add request attributes for the catalog, follow these steps:

1. Click , the following window appears:

The screenshot shows a dialog box titled "Edit Record" with a close button (X) in the top right corner. Below the title bar, the text "Attribute Id" is displayed. Underneath, two attributes are listed: "Gender" and "Approximate Units", each with a small "x" icon to its right, indicating they are selected. At the bottom right of the dialog, there are two buttons: "CANCEL" and "SAVE".

2. Click the Attribute Id field and select the attributes you want,
3. Click **Save** to add the attributes. You can create requests for those attributes in T1 Studio.
