

## Aggregate attributes (Target report)

Through this tab, you can view the aggregate attributes based on which target summary is created. These attributes are defined for the catalog at the catalog definition. The tab appears as shown in the below example:

Attribute Name	System Name	Updated Date	Attribute Type Name	Actions
<input type="checkbox"/> MSRP	MSRP_Attribute	Feb 10, 2023	decimal	⋮
<input type="checkbox"/> Promo SKUs	PromoArticles	Feb 10, 2023	int	⋮
<input type="checkbox"/> BH CC Rank	BH_CC_Rank	Feb 10, 2023	int	⋮
<input type="checkbox"/> LY Units	LY_Units	Feb 10, 2023	int	⋮
<input type="checkbox"/> BH Program Rank	BH_Program_Rank	Feb 10, 2023	int	⋮

Attributes are listed along with their system name, updated date, and type name.
