

Delete segmentation group

To delete a segmentation group, follow these steps:

1. Select the group you want to delete by following any of these methods:
 - Select “Delete Record” from the Actions menu next to the group you want to delete,
 - Click the checkbox on top of the records to select all groups then click the **Delete** button,
 - Click the checkbox(es) next to the groups you want then click the **Delete** button,

The following message appears showing the number of selected records:

2. Click **Delete Record** to confirm deleting the group. Its status changes to “Inactive”. You can activate the group by following the steps mentioned in “[Activate segmentation group](#)”.
