

Edit color palette

To edit a color palette, select Edit record from the Actions menu next to the palette you want, the following window appears:

The screenshot shows a dialog box titled "Update Color Palette" with a close button (X) in the top right corner. The dialog contains the following elements:

- Name*:** A text input field containing "Palette1".
- Colors:** Two color tags are displayed: "BLACK" and "RED", each with a small "X" icon to its right for deletion.
- Color Criteria:** A section with a header "Color Criteria" containing a list of criteria. The first entry is "Attribute: Gender" with a small "X" icon to its right, and "Mens" is displayed to the right of the "X". A dropdown arrow is visible to the right of "Mens". Below this list, the word "Attribute" is visible, suggesting a search or filter area.
- Buttons:** At the bottom right, there are two buttons: a dark grey "CANCEL" button and a blue "SAVE" button.

Update any of the displayed information. You can also add more attributes or delete any of the existing ones, then click **Save**.
