

Edit color palette

To edit a color palette, select Edit record from the Actions menu next to the palette you want, the following window appears:

The screenshot shows a dialog box titled "Update Color Palette" with a close button (X) in the top right corner. The dialog contains the following elements:

- Name***: A text input field containing "Palette1".
- Colors**: A section containing two color tags: "BLACK" and "RED", each with a small "X" icon to its right for deletion.
- Color Criteria**: A section containing a list of criteria. The first entry is "Gender" with a small "X" icon to its right, and "Mens" is displayed to the right of the "X". A dropdown arrow is visible to the right of "Mens".
- Attribute**: A label positioned below the "Color Criteria" section.
- Buttons**: "CANCEL" and "SAVE" buttons are located at the bottom right of the dialog.

Update any of the displayed information. You can also add more attributes or delete any of the existing ones, then click **Save**.
