

Edit segmentation group

To update any of the existing segmentation groups, select Edit record from the Actions menu next to it, its details are displayed as shown in the below example:

The screenshot shows a dialog box titled "Update Segmentation Group" with a close button (X) in the top right corner. Below the title bar, the word "Segmentations" is displayed. Underneath, there are two tags: "Segmentation-1" and "Segmentation-2", each with a small 'X' icon to its right. A horizontal line is positioned below these tags. At the bottom right of the dialog, there are two buttons: a dark grey "CANCEL" button and a blue "SAVE" button.

Update the segmentations then click **Save**.
