

Linked catalogs

Through this tab, you can view the catalogs linked to the selected catalog as shown in the below example:

<	Test Attributes	Request Reasons	Bucket Attributes	Restrict Bucket Attributes	Linked Catalogs	Color Palette	Color Definition	Relation Types	>
<input type="checkbox"/>	<input type="checkbox"/>	0 of 1 Selected							
Catalog Name	Reference Catalog	Status	Updated Date	Actions					
<input type="checkbox"/> Trasix FW23		Active	Aug 2, 2023						

Catalogs are listed along with the reference catalog, status, and updated date. Catalogs are linked during the catalog definition phase.
