

# Price group

Through this page, you can define price groups for a catalog and specify the currency for each one, such as retail price group and wholesale price group. These price groups are then assigned to articles.

View the catalog you want then go to **Price Group** tab, the following page appears:

Name	Currency	Description	Sort Order	Status	Updated Date	Actions
<input type="checkbox"/> WholesalePrice	United Arab Emirates Dirham	WholesalePrice	0	Active	Jan 27, 2020	
<input type="checkbox"/> RetailPrice	United Arab Emirates Dirham	RetailPrice	0	Active	Jan 27, 2020	

Price groups defined for this catalog are listed. For each one, the currency, description, status, and updated date are displayed.

You can add a new price group, update or delete any of the existing ones as discussed next.
