

Edit tree

To edit a catalog tree, follow these steps:

1. Select “Edit Record” from the Actions menu next to the tree you want, the following window appears:

The screenshot shows a dialog box titled "Update Tree Definition" with a close button (X) in the top right corner. The dialog contains a form with the following elements:

- A text input field labeled "Name *" containing the text "Main". Below the input is a character count "4 / 1000".
- A toggle switch labeled "Is Default" which is currently turned on.
- A list of tree nodes displayed as gray buttons, arranged in two columns:
 - Left column: Category, Division, Features, AgeGroup, CarryOver, KeyCategory, Limited, BusinessSegment, Allocated, WOMEN.
 - Right column: MainDivision, Gender.
- At the bottom right, there are two buttons: "CANCEL" (dark gray) and "SAVE" (blue).

2. Make the changes you want to any of the displayed information,
3. Click **Save**.
