

Resource details

To view the resource details, click its record or select “View Record” from the Actions menu, the resource details are displayed as shown in the below example:

The screenshot shows a web interface for viewing resource details. At the top, there are two tabs: "Resource" (selected) and "Articles". Below the tabs, the title "Product Information" is displayed next to a green "Active" status indicator. In the top right corner, there are icons for delete, refresh, and refresh. The main content area is divided into two columns of key-value pairs:

| | | | |
|-----------------------|---|---------------|---|
| Resource Id | 1 | Resource | http://1[redacted]/filestorage/Resources/6/8/Information/Terms.pdf |
| Reference Resource Id | 0 | Resource Type | Information |
| Resource Name | Product Information | File Name | Terms.pdf |
| File Path | http://[redacted]/filestorage/Resources/6/8/Information | Status | ● Active |
| SortOrder | 1 | Created Date | Nov 7, 2017 |
| Updated Date | Nov 7, 2017 | Created By | [redacted] |

In the bottom right corner, there is a red circular button with a white pencil icon, indicating an edit function.

The resource details are displayed such as its type, file name, path, and creation date, etc. Go to **Articles** tab to view the list of articles to which this resource file is assigned.

You can edit the resource and replace it with another file and manage its articles.
