

Update segmentation for multiple customers

To update segmentations for multiple customers, follow these steps:

1. Click the checkbox(es) next to the segmentations you want,
2. Click , the following window appears:

The screenshot shows a dialog box titled "Edit Customers Segmentation" with a close button (X) in the top right corner. The main area contains two items: "Segmentation-1" and "Segmentation-2". Each item has a checkbox on the left and a slider button on the right. For "Segmentation-1", the checkbox is unchecked and the slider button is blue. For "Segmentation-2", the checkbox is unchecked and the slider button is grey. At the bottom right of the dialog, there are two buttons: "CANCEL" and "SAVE".

3. Click the checkbox next to the segmentation you want to update, unchecked checkboxes will remain unchanged,
4. Click the slider button next to the segmentation you want to assign to the customer(s), the selected segmentation will be marked with "Yes", while the other segmentations will be marked with "No",
5. Click **Save**, a progress window is displayed and segmentations are updated.
