Linear Delivery Dates

To import a file with delivery and availability dates, follow these steps:

1. Click the **Import** button, the following window appears:

The screenshot shows a window titled "Import Data" with a close button (X) in the top right corner. Below the title bar, there is a progress bar with five steps: 1. File, 2. Sheet, 3. Mapping, 4. Filter (selected with a checkmark), and 5. Validation. Below the progress bar, there are two radio buttons: "Last Used File" (unselected) and "New File" (selected). Below the radio buttons, there is a text field labeled "Filename:" with the value "[none]" and a "SELECT..." button to its right. At the bottom of the window, there are two buttons: "BACK" and "NEXT".

2. Click **Select** to browse for the file you want to import,
3. Select the file then click **Open**, the name of the file you selected appears in its field,
4. Click **Next**, the following window appears:
