

Locations

Through this page, you can view all customers for a specific catalog along with all their locations, active and inactive. Go to Locations, the page appears as shown below:

Customer Number	Customer Name	Location Reference	Name	Status
<input checked="" type="checkbox"/> 11111	Customer A	Loc1	Location 1	Active
<input type="checkbox"/> 11111	Customer A	Loc2	Location 2	Inactive
<input type="checkbox"/> 22222	Customer B	shop01	Shop 1	Active
<input type="checkbox"/> 22222	Customer B	shop02	Shop 2	Active

The page lists the customers, for each one the customer name, location reference, location name, and status. Locations can also be imported as mentioned next.
