

Merch boards

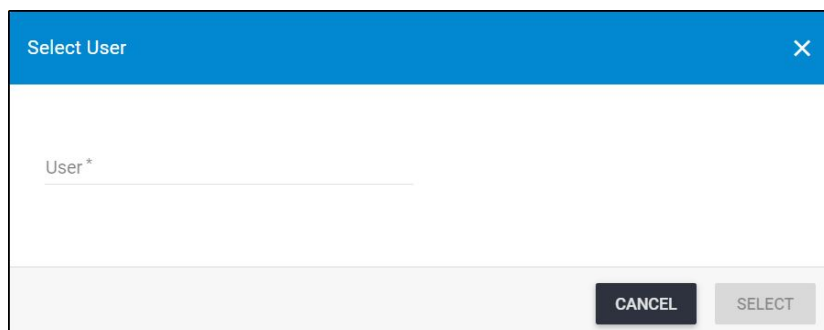

Through this page, you can view slides created in the Merchadising Board in T1 Studio. When those slides are saved in T1 Studio, updates are reflected in this module. The page appears as shown below:

The screenshot shows the 'Merch Boards' section in the T1 Studio interface. The sidebar on the left contains navigation options: Colorways Replacement, Colorway Segmentation, Shared Folders, Merch Boards (highlighted), Favorites, Saved Views, Stock, Sizes, Delivery Date, Prices, Collections, Catalog Tree, and Resource. The main area displays a table of slides with the following columns: Slide Name, Folder Name, Customer Id, Status, Created By, Sort Order, Updated Date, and Actions. There are four slides listed, all with a status of 'Active' and an updated date of 'Oct 6, 2023'. The slides are named 'slide4', 'Default', 'slide 2', and 'slide1'. The 'Created By' column shows email addresses ending in '@trasix.com'. The 'Sort Order' column shows values 4, 1, 3, and 2 respectively. The 'Actions' column contains a vertical ellipsis icon for each slide. Above the table, there are buttons for 'Merch Boards', 'Shared By', and 'Shared With', along with a '0 of 4 Selected' indicator.

Slide Name	Folder Name	Customer Id	Status	Created By	Sort Order	Updated Date	Actions
slide4	Default		Active	@trasix.com	4	Oct 6, 2023	
Default	Default		Active	@trasix.com	1	Oct 6, 2023	
slide 2	Default		Active	@trasix.com	3	Oct 6, 2023	
slide1	Default		Active	@trasix.com	2	Oct 6, 2023	

The list of slides are displayed, for each slide the folder name, customer Id, status, the user who created the slide, sort order, status and updated date are displayed. You can search for slides shared by a user or shared with a specific user by clicking the respective button, the following window appears:

The screenshot shows a 'Select User' dialog box. It has a blue header bar with the title 'Select User' and a close button (X). Below the header is a text input field labeled 'User*'. At the bottom of the dialog, there are two buttons: 'CANCEL' and 'SELECT'.

Select User

User*

CANCELSELECT

Click the field then select the user you want or start typing the name, then click Select, slides are filtered as per your selection.

The following sections discuss the actions you can perform through this page.
