

Edit bulk (sort order)

You can update the sort order for multiple resource files. Select the resources you want then click the **Edit** button, the following window appears:

The screenshot shows a dialog box titled "Edit Edit SortOrder" with a close button (X) in the top right corner. Inside the dialog, there is a checkbox on the left and a text input field labeled "SortOrder" on the right. The input field has a vertical line on the left and a small downward arrow on the right. At the bottom right of the dialog, there are two buttons: "CANCEL" and "SAVE".

Enter the sort order you want, then click **Save**. You can also update the sort order for an individual resource, by selecting "Edit Sortorder" from the Actions menu next to the resource you want.
