

## View resource

You can view resource details by clicking the record or selecting “View Record” from the Actions menu, the following page appears:

The screenshot shows a web interface for viewing a resource. At the top, there are two tabs: 'Resource' (selected) and 'Articles'. Below the tabs, the resource name 'Size Chart' is displayed with a green 'Active' status indicator. To the right of the name are three icons: a trash can, a refresh icon, and a circular arrow icon. The main content area is divided into two columns of key-value pairs:

Resource Id	3	Resource	seller-2/seller-2/catalog-1/resources/Resource/Size Chart.pdf
Reference Resource Id	0	Resource Type	Resource
Resource Name	Size Chart	File Name	seller-2/catalog-1/resources/Resource/Size Chart.pdf
File Path	seller-2	Status	Active
SortOrder	0	Created Date	Jun 28, 2018
Updated Date	Jun 28, 2018	Created By	admin@trasix.com

In the bottom right corner of the interface, there is a red circular button with a white pencil icon, indicating an edit function.

The resource details are displayed such as resource name, file name, and file path, etc. You can refresh the displayed information by clicking respective button.

Go to **Articles** tab to view the articles to which the resource is assigned as shown in the below example:

Resource		Articles		
Article Number	Article Name	Status	Updated Date	Actions
<input type="checkbox"/>	101010	Active	Jul 1, 2018	⋮
<input type="checkbox"/>	113311	Active	Jul 1, 2018	⋮

The articles to which this resource is assigned are listed along with the article name, status, and update date. Resources can also be managed through the article details, for more information refer to [“Resources”](#).

You can add an article to the resource or delete any of the existing ones as discussed next.
