

Edit seller style

To edit a seller style, view the style then click the edit button or select Edit record from the Actions menu next to the style. The style information is displayed as shown in the below example:

The screenshot shows a modal window titled "Edit Record" with a search bar and several form fields. The fields are arranged in a grid-like structure. The "Style Number" field contains "NN6007001" and has a character count of "9 / 200". The "Style Name" field contains "jacket" and has a character count of "6 / 28". Other fields include "Sub-Category (End Use)" set to "Basketball", "Fit Type" set to "Loose", "Gender" set to "Unisex", "Product Family" set to "Other", "Class (Subsilhouette)" set to "Jackets", and "Sub Class (Subsubsilhouette)" set to "Shell". At the bottom right, there are "CANCEL" and "SAVE" buttons.
