

Update multiple seller styles

Users can update attributes for multiple seller styles, in addition to their the model name. To do so, select the models you want then click the **Update bulk** button, the following button appears:

The screenshot shows a modal window titled "Edit Seller Styles" with a close button (X) in the top right corner. Below the title bar is a search bar with a magnifying glass icon and the text "Search". Below the search bar is a list of items, each with a checkbox and a set of input fields. The first item has a checkbox, a "Style Name" field containing "jacket", a "Sub-Category (End Use)" dropdown menu, and a "6 / 100" label. The second item has a checkbox, a "Fit Type" field containing "Loose", a "Gender" dropdown menu containing "Unisex", and a small blue information icon (i) below it. At the bottom right of the modal are two buttons: "CANCEL" and "SAVE".

Update any of the displayed information then click **Save**.
