

Add lookup table

To add a lookup table, follow these steps:

1. Click , the following window appears:

A screenshot of a 'New Lookup' dialog box. The dialog has a blue header bar with the title 'New Lookup' and a close button (X) on the right. Below the header, there are four input fields: 'Name *' with a character count '0 / 500' on the right; 'Attribute Group Name *'; 'Source Attributes*'; and 'Destination Attributes*'. At the bottom right of the dialog, there are two buttons: 'CANCEL' and 'SAVE'.

2. Enter the lookup table name,
3. Select the attribute group name,
4. Select the source attributes and destination attributes, each from its field,
5. Click **Save**. The lookup table definition is added to the list.
