

Add master size scale

To add a master size scale, follow these steps:

1. Click , the following window appears:

The screenshot shows a dialog box titled "Create Master Size Scale" with a close button (X) in the top right corner. The dialog contains three main input sections:

- Size Scale ***: A single-line text input field.
- Sizes***: A multi-line text input area with the instruction "Use enter to add value".
- Criteria**: A larger multi-line text input area containing the label "Attribute".

At the bottom right of the dialog, there are two buttons: "CANCEL" and "SAVE".

2. Enter the size scale name,
3. Enter each size of the size scale and press **Enter**,
4. Enter the criteria attribute, if you want,
5. Click **Save** to add the master size scale and close the window.
