

Add master size scale

To add a master size scale, follow these steps:

1. Click , the following window appears:

A screenshot of a software dialog box titled "Create Master Size Scale". The dialog has a blue header bar with a close button (X) on the right. Below the header, there are three main input sections: "Size Scale*" with a text input field; "Sizes*" with a text input field and the instruction "Use enter to add value"; and "Criteria" with a text input field containing the word "Attribute". At the bottom right of the dialog, there are two buttons: "CANCEL" and "SAVE".

2. Enter the size scale name,
3. Enter each size of the size scale and press **Enter**,
4. Enter the criteria attribute, if you want,
5. Click **Save** to add the master size scale and close the window.
