

Add size scale

To add a size scale, follow these steps:

1. Click , the following window appears:

The screenshot shows a 'Create Size Scale' dialog box. It features a blue header bar with the title 'Create Size Scale' and a close button (X). The main content area is white and contains three sections: 'Master Size Scale *' with a text input field, 'Sizes' with a text input field, and 'Criteria' with a sub-section 'Attribute' and a text input field. At the bottom right, there are two buttons: 'CANCEL' and 'SAVE'.

2. Select the master size scale, another field appears to enable you to enter the size scale name,
3. Enter the size scale name,
4. Select the sizes you want,
5. Define a criteria for the size scale, if you want, by selecting the attribute based on which the size scale is assigned to the article, then entering the value for this attribute,
6. Click **Save**.

Note:

- Multiple size scales can have the same name if they are assigned to different master size scales per seller account.
