

Edit VAS

To update any of the existing VAS, click its record then , or select Edit record from the Actions menu next to it, the following window appears:

The screenshot shows a window titled "Edit Record" with a close button (X) in the top right corner. Below the title bar is a search bar with a magnifying glass icon and the text "Search". The main content area contains two input fields: "Name*" with the value "VAS1" and "Vas Code*" with the value "VAS1". A character count "4 / 50" is visible to the right of the "Vas Code*" field. Below these fields is a "Description" field with the value "VAS 1" and a toggle switch labeled "Required Additional Info" which is currently turned off. At the bottom right of the window are two buttons: "CANCEL" and "SAVE".

Update any of the displayed information then click **Save**.
