

Seller details - Master size scales

Through this page, you can define size scales and assign sizes to it. This is only available for master sellers and the tab will be displayed without actions for child sellers. Go to **Master size scales**, the following window appears:

The screenshot shows a web interface for managing 'Master Size Scales'. At the top, there are navigation tabs: Seller, Users, Catalogs, Customers, Image Types, Order Types, VAS, Master Size Scales (selected), Size Scales, and Seasonless Article Attributi. Below the tabs is a toolbar with icons for selection, refresh, delete, and a '0 of 32 Selected' indicator. The main content is a table with the following columns: Id, Size Scale, Sizes, Is Obsolete, Status, and Actions. The table contains 10 rows of data, each representing a different size scale. A red circular button with a white plus sign is visible in the bottom right corner of the table area.
