

Update article replacement

To update an article replacement, follow these steps:

1. Select “Edit Record” from the Actions menu next to the article replacement you want, the following window appears:

The screenshot shows a dialog box titled "Update Replacement". It features a blue header bar with the title and a close button (X). The main area contains two input fields. The first field, labeled "Original Article", has the value "133112" and a close button (X) to its right. The second field, labeled "Suggested Replacement *", has the value "115511" and a close button (X) to its right. At the bottom right, there are two buttons: "CANCEL" and "SAVE".

The Original Article cannot be changed.

2. Click the “Suggested Replacement” field and select the article that replaces the original one, only articles with the same sizes of the original one are retrieved in this dropdown list,
3. Click **Save**, the article replacement is updated.
