

## Article history

Through this tab, you can view the changes that are done on the article information such as article number, model number, attribute values, sizes, prices, segmentation, and status (i.e. active or inactive). Go to **History** tab, the following page appears:

The screenshot displays the 'History' tab of an article management interface. The interface includes a navigation bar with tabs: Article, Delivery Dates, Resources, Images, Sizes, Prices, Segmentation, History (selected), and Related. A '12 History' button and a refresh icon are visible in the top right corner. The main content area shows a vertical timeline of changes performed by the user '@trasix.com'.

- Feb 2, 2022 12:53 PM:** Status: true (grey) to false (green).
- Jan 26, 2022 2:18 PM:** Sizes: Removed: UNIQUE (grey) to Added: S (green).
- Jan 26, 2022 2:18 PM:** Prices:
  - WholesalePrice: AED 0.00 (grey) to AED 100.00 (green)
  - RetailPrice: AED 0.00 (grey) to AED 80.00 (green)
- Jan 26, 2022 2:18 PM:** Segmentations:
  - Segmentation-1: Status: false, Planning Value: (grey) to Status: true, Planning Value: null (green)

Changes done to the selected article are displayed as a timeline, mentioning the date, time, and the user who performed the change. The first record shows the user who created the article and the date and time on which the article was created. You can click the **Refresh** button to refresh the list.
