

Delete delivery date

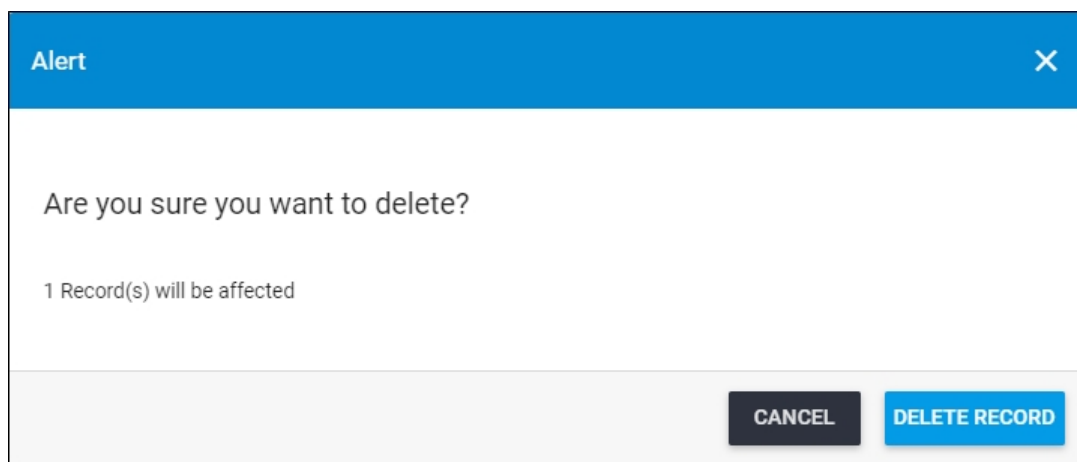

Note:

- Deleting delivery dates will cause order lines containing articles with those dates to be deactivated.

To delete a delivery date, follow these steps:

1. Select the date you want to delete by following any of these methods:
 - Select “Delete Record” from the Actions menu next to the date you want to delete,
 - Click the checkbox on top of the records to select all dates then click the **Delete** button,
 - Click the checkbox(es) next to the dates you want then click the **Delete** button,

The following message appears showing the number of selected records:

2. Click **Delete Record** to confirm deleting the date. Its status changes to “Inactive”.
