

## Images

Through this tab you can upload images for articles. Image types are defined for each seller and you can upload images for articles under these types. Images can also be managed through the **Images** module, refer to "[Images](#)".

Go to **Images** tab, the following page appears:

Article	Delivery Dates	Resources	Images	Sizes	Prices	Segmentation	Audit Trail History	Related
<input type="checkbox"/>				0 of 1 Selected				
Image Name	Image Id	Image Type	Article Name	Status	Updated Date	Actions		
<input type="checkbox"/> 31163	273	Support	Sweatshirts	Active	Feb 28, 2021			

The page lists the images added for the selected article, for each one the article number, image type, article name, status, and update date are displayed.

You can view images details by clicking the record or selecting "View Record" from the Actions menu, the following page appears:
