

Resource details

To view the resource details, click its record or select “View Record” from the Actions menu, the resource details are displayed as shown in the below example:

The screenshot shows a web interface for viewing resource details. At the top, there are two tabs: "Resource" (selected) and "Articles". Below the tabs, the title "Product Information" is displayed next to a green "Active" status indicator. In the top right corner, there are icons for delete, refresh, and refresh. The main content area is divided into two columns of key-value pairs:

Resource Id	1	Resource	http://1[redacted]/filestorage/Resources/6/8/Information/Terms.pdf
Reference Resource Id	0	Resource Type	Information
Resource Name	Product Information	File Name	Terms.pdf
File Path	http://[redacted]/filestorage/Resources/6/8/Information	Status	● Active
SortOrder	1	Created Date	Nov 7, 2017
Updated Date	Nov 7, 2017	Created By	[redacted]

In the bottom right corner, there is a red circular button with a white pencil icon, indicating an edit function.

The resource details are displayed such as its type, file name, path, and creation date, etc. Go to **Articles** tab to view the list of articles to which this resource file is assigned.

You can edit the resource and replace it with another file and manage its articles.
