

## Update image

To update an image, follow these steps:

1. Select “Edit Record” from the Actions menu next to the image you want, or view the

image then click , the following window appears:

The screenshot shows a "New Record" dialog box. At the top, there is a blue header with the text "New Record" and a close button (X). Below the header, there are two input fields. The first is labeled "Article Id \*" and contains the value "118811". The second is labeled "Image Type \*" and contains the value "Front image". Below these fields is a placeholder image of a white t-shirt. At the bottom right of the dialog, there are two buttons: "CANCEL" and "SAVE".

Article number cannot be changed.

2. Change the image type, if you want,
3. Click the image and browse for the new image, if you want to change it,
4. Click **Save**.
