

Activate stock definition

To activate any of the deleted stock definitions, follow these steps:

1. Select the definition you want to activate by following any of these methods:
 - Select “Activate Record” from the Actions menu next to the stock definition you want to activate,
 - Click the checkbox on top of the records to select all definitions then click the **Activate** button,
 - Click the checkbox(es) next to the definitions you want then click the **Activate** button,

The following message appears showing the number of selected records:

2. Click **Activate Record** to confirm activating the stock definitions. Its status changes to “Active”.
