

Activate images

To activate any of the deleted images, follow these steps:

1. Select the images you want to activate by following any of these methods:
 - Select “Activate Record” from the Actions menu next to the image you want to activate,
 - Click the checkbox on top of the records to select all images then click the **Activate** button,
 - Click the checkbox(es) next to the image you want then click the **Activate** button,

The following message appears showing the number of selected images:

You can click **Cancel** to keep the records inactive.

2. Click **Activate Record** to confirm activating the images. The image status changes to “Active”.
