To add an image to an article, follow these steps:

1. Click  , the following window appears:

The screenshot shows a 'New Record' dialog box. It features a blue title bar with the text 'New Record' and a close button (X). Below the title bar, there are two input fields: 'Article Id *' and 'Image Type *'. The main area of the dialog is a large grey rectangle with a faint image icon in the center. At the bottom of the dialog, there are three buttons: 'CANCEL', 'SAVE', and 'SAVE AND NEW'.

2. Click "Article Id" and select the article number you want,
3. Click "Image Type" and select the type you want,
4. Click the image box and browse for the image you want,
5. Enter the sort order, if you want, otherwise, the sort order will be taken from the image type sort order defined for the seller. These resource types are managed by Trasix Support Team.
6. Click **Save** to add the image and close the window or **Save and New** to add it and

open a new window. The image is added to the list.
