

Update image

To update an image, follow these steps:

1. Select “Edit Record” from the Actions menu next to the image you want, or view the image then click the **Edit** button, the following window appears:

The screenshot shows a dialog box titled "New Record" with a close button (X) in the top right corner. Below the title bar, there are two input fields: "Article Id *" containing the value "112211" and "Image Type *" containing the value "Front image". Both fields have a close button (X) to their right. Below the input fields is a large image of a white t-shirt. At the bottom of the dialog box, there are two buttons: "CANCEL" and "SAVE".

Article number cannot be changed.

2. Change the image type, if you want,
3. Click the image and browse for the new image, if you want to change it,
4. Click **Save**.
