

Update Favorite

To update a favorite, follow these steps:

1. Select “Edit Record” from the Actions menu next to the favorite you want to update, the following window appears:

The screenshot shows a modal dialog box titled "Edit Record" with a close button (X) in the top right corner. The dialog contains two main input sections. The first section is labeled "Article Id *" and contains a text input field with the value "1216007-100" and a small "X" icon to its right. To the right of this field is a "Notes" section with a text area and a character count "0 / 250". The second section is labeled "Tags" and contains a tag input field with the value "tag2" and a small "X" icon to its right. Below the tag input field is a text input field with the placeholder text "Use enter to add value". At the bottom right of the dialog are two buttons: "CANCEL" and "SAVE".

2. Make the changes you want to any of the displayed information,
3. Click **Save**.
