

Merch boards

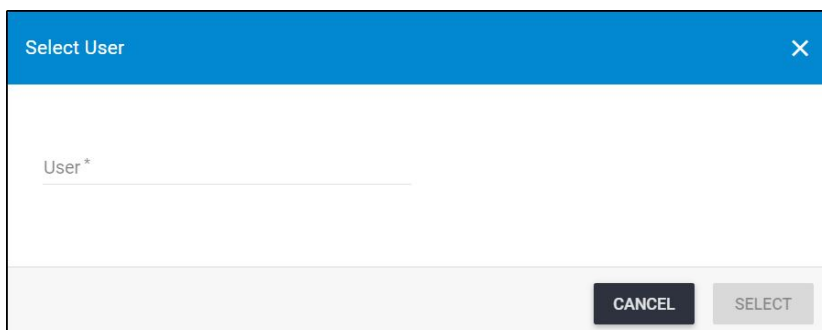

Through this page, you can view slides created in the Merchadising Board in T1 Studio. When those slides are saved in T1 Studio, updates are reflected in this module. The page appears as shown below:

The screenshot shows the 'Merch Boards' interface. On the left is a dark sidebar with navigation options: Colorways Replacement, Colorway Segmentation, Shared Folders, Merch Boards (highlighted), Favorites, Saved Views, Stock, Sizes, Delivery Date, Prices, Collections, Catalog Tree, and Resource. The main area displays a table with columns: Slide Name, Folder Name, Customer Id, Status, Created By, Sort Order, Updated Date, and Actions. There are four rows of data, all with 'Active' status and an updated date of 'Oct 6, 2023'. A blue bar at the top of the table indicates '0 of 4 Selected'. Above the table are icons for selection, refresh, and a 'Merch Boards' button.

Slide Name	Folder Name	Customer Id	Status	Created By	Sort Order	Updated Date	Actions
<input type="checkbox"/> slide4	Default		Active	@trasix.com	4	Oct 6, 2023	
<input type="checkbox"/> Default	Default		Active	@trasix.com	1	Oct 6, 2023	
<input type="checkbox"/> slide 2	Default		Active	@trasix.com	3	Oct 6, 2023	
<input type="checkbox"/> slide1	Default		Active	@trasix.com	2	Oct 6, 2023	

The list of slides are displayed, for each slide the folder name, customer Id, status, the user who created the slide, sort order, status and updated date are displayed. You can search for slides shared by a user or shared with a specific user by clicking the respective button, the following window appears:

The 'Select User' dialog box has a blue header with the title 'Select User' and a close button (X). Below the header is a text input field labeled 'User*'. At the bottom of the dialog are two buttons: 'CANCEL' and 'SELECT'.

Click the field then select the user you want or start typing the name, then click Select, slides are filtered as per your selection.

The following sections discuss the actions you can perform through this page.
