

Update order line

To update an order line, follow these steps:

1. Select “Edit Record” from the Actions menu next to the order line you want to update, or view the order line then click the **Edit** button, the following window appears:

Article Id *	Delivery Date *		
101010	Apr 1, 2019		
Comment			
0 / 2000			
<input type="checkbox"/>	VAS01	37	38
		50	50
0 / 2000			

2. Update the quantities, if you want,
3. Click **Save**, a message appears on the page informing you that the record is updated successfully.
