# Delete size scales

To delete size scales, follow these steps:

1. Select the size scales you want to delete by following any of these methods:

   - Select "Delete Record" from the Actions menu next to the size scale you want to delete,
   - Click the checkbox on top of the records to select all size scales then click the **Delete** button,
   - Click the checkbox(es) next to the size scales you want then click the **Delete** button,

The following message appears showing the number of selected records:

2. Click **Delete Record** to confirm deleting the size scale. Its status changes to "Inactive". You can activate the size scale by following the steps mentioned in "[Activate size scale](#)".

Note:

- You cannot delete size scales which are already assigned to articles.
