

Edit image type

To edit any of the existing types, select Edit record from the Actions menu next to it, the following window appears:

The screenshot shows a dialog box titled "Edit Record" with a close button (X) in the top right corner. The dialog contains three input fields:

- Type ***: A text input field containing "PDF". Below this field is a character count "3 / 50".
- Expression ***: A text input field that is currently empty. Below this field is a character count "2 / 100".
- Sort Order**: A text input field containing "1".

At the bottom right of the dialog, there are two buttons: "CANCEL" (a dark grey button) and "SAVE" (a blue button).

Update any of the displayed information then click **Save**.
