

Seller details

To view the seller details, click its record or select View record from the Actions menu next to the seller, the following window appears:

The screenshot shows a web interface for managing seller details. At the top, there are navigation tabs: Seller (selected), Users, Catalogs, Customers, Image Types, Order Types, VAS, Size Scales, and Article Drop Reasons. Below the tabs, the main content area displays the details for a 'Global seller' with an 'Active' status. The details are organized into two columns:

Id 9	Account Name Global seller
Email [Redacted]	Parent Id [Redacted]
Organization Organization 1	Organization Id 1
Account Type Seller	Country Code AE
Country United Arab Emirates	State Dubai
City Dubai	Zip (blank)
Address Dubai	Domain globalseller.com
Website [Redacted]	Consolidation Plugin [Redacted]

At the bottom right of the form, there is a red circular icon with a white pencil, indicating an edit function.

Seller details are displayed such as the account name, organization, address, and other information.

For master sellers and depending on the seller definitions, other tabs appear to help you manage size scales, seasonal model attributes, etc. as shown in the below example:

Navigation: < ars Image Types Order Types VAS Master Size Scales Size Scales Seasonless Model Attributes Article Drop Reasons >

Trasix Active    

Id 217	Account Name Trasix
Email info@trasix.com	Parent Id
Organization TRASIX	Organization Id 2
Account Type Seller	Country Code AE
Country United Arab Emirates	State (blank)
City Dubai	Zip (blank)
Address Dubai	Domain trasix.com
Website https://www.trasix.com	Consolidation Plugin

You can view the seller users, catalogs, customers, and manage image types, order types, etc. as mentioned in the coming sections. You can also update the seller information, delete and activate the seller, and import the list of buyer user customers.
